

Global Marketplace

Diversified industries worldwide including, but not limited to:

- Medical
- Defense
- Aerospace
- Data Storage / Hi-Tech
- Printing

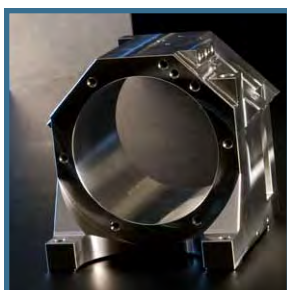

Certified Quality System

ISO 9001:2008 Certified (since 2008)

AS 9100C Certified (since July 2011)

- State-of-the-art, in-house quality department
- 5 DCC CMM's
- Travel up to 32" x 36" x 28"

Masters of Precision Machining

Prototype to production volumes

Focus on complex, close tolerance parts

Established in 1989

Steady growth in operation, over 100 employees

Continued advancement in automation, 5-axis, and multi-pallet machining

Capabilities

Milling

- Over 40 milling centers
- Vertical up to 51.20" x 20.10" x 22.00"
- Horizontal up to 41.34" x 33.46" x 33.86"
- 4-axis and 5-axis machining

Turning

- Over 10 CNC turning centers, including 2 Swiss
- Lathe turning up to 12" DIA chuck x 24"
- Swiss turning up to .813" DIA
- Multi-axis live tooling

Wire EDM

- Over 10 wire EDMs
- Up to 31.11" x 28.74" x 11.81"

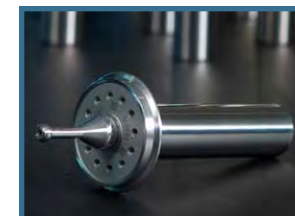

Assembly

- Full assembly and testing department
- Includes clean bench facilities
- Laser part marking

Material

Experience machining a variety of materials including, but not limited to:

- Aluminum and steel alloys
- Nickel bronze alloys
- Stainless steel
- Titanium
- Plastics
- Castings
 - Aluminum
 - Steel
 - Stainless steel

Quality Wins!
